ROUND 7 / FIFA Cup Quarter Finals

U12 Rockets

It was the FIFA Cup quarter-finals day. Rockets against GMAS Phantoms.

The Phantoms started strong, scoring the first goal and setting the pace.

The Rockets did not falter, and after a great pass from Archie, Dominic equalised with a the perfect header.

Both teams were keen to score and the Phantoms got the advantage with another goal, but that didn't stop the Rockets from equalising again.

The team was playing in great harmony, scoring accordingly.

The Rockets finished victorious with another beautiful header from Gabe. Now to the semi- finals in late August.

Well done Rockets, the player of the day goes to Kalani and to Archie. Fantastic game !

U13 Sharks

Saturday's U13 FIFA Quarter Cup started at a blistering pace, with Vasse Magpies scoring 2 goals in the first 10 minutes.

After dusting themselves off, the Sharks fought back hard. Kalani Taylor (player of the match) showed fantastic skills to gain possession and get the ball close to the nets several times. His efforts paid off with him passing forward for a goal.

In the second half Sharks came out determined and managed to score another two goals with wonderful passing between mid field, the wings and centre.

U13 Sharks

The Sharks defence held off a large number of attacks and many goal attempts. It was a nail biting finish with Vasse managing to squeeze through more goals, finishing as the winners.

It was a hard fought game with a great display of skill. Well done to everyone.

U14 Wyverns

U14 Wyverns travelled to sunny Busselton for the FIFA Cup Quarter Finals with a re-match against last weeks opponents, Duns Victory.

Both teams came out strong looking for a win after last weeks draw. Matty got us on the scoreboard in the opening minutes of the game.

Jack was back after a week off with Covid and he was on fire in defense! He is playing some good football standing strong in defense. A Jack pass to Stirling to Ethan who scored gave us our second goal.

Hugo, Michael and Will worked hard and Ethan worked his socks off with forward plays.

Charlie was laying on the pressure. Stirling, Henry and Hugo were working hard to keep the ball in our attack. Jarrah made an awesome save to keep Victory scoreless in the first half, and Henry was solid as a rock in defense.

Duns came out firing in the second half and scored their first goal.

A Stirling - Ethan - William combo in our attack was great to watch, but just sailed over the top of goals.

Duns had another run up, but were unable to convert off a free kick. Was a great shot, but Jarrah did what Jarrah does, and made another great save.

Oliver L was playing some great football. A beautiful kick up by looked to go in, but just went over the top. He followed it up with a screamer of a pass across goal that was knocked in by Matty for our third goal.

U14 Wyverns

Duns fought back, but their attempt at goal was saved by Jarrah. Their second attempt went through to give Duns their second goal with minutes to go.

It was a tight, hard contest that went down to the wire, but we just got over the line to claim the win 3-2.

POD went to Matty for his 2 goals.

U15 Marroners

FMR Marroners played Vasse Emus, with a well fought battle of a game, containing an action packed 7 goal thriller.

Marroners were unlucky although putting in a good effort with the final result of 4-3 to the Emus.

Player of the day went to Caspian for his efforts all around the pitch. Thank you to our sponsors Burger Baby.
