# FIFA Teams

**ROUND 8** - with a couple of byes and a forfeit due to a whole U12 team being sick, there wasn't as much action in the FIFA age group this week. Hopefully everyone rests up and comes back raring to go after the holiday break.

## U12 Ankle Biters

It was a tough day today for the Ankle Biters with no subs but they defended against the CFC Chiefs with everything they had.

Player of the day Austin Willing got a hat trick getting the only 3 goals of the match.

# U12 Rockets

POD Gabe and Darcy

# U14 Glory

Glory vs Wyverns- Cross town rivals. It was a wet start to the day but the rain held off for the game.

1st half - From the start there was pressure from both teams each having some good shots at goal. Wyverns scored first goal early in the half but the Glory came back with good pressure and some great through balls resulting in a goal for Jay and one for Alex. Glory's defence held strong with a 2-1 lead at half time.

2nd half - Again, early pressure from both teams, Glory with shots on goal from Harper. Wyverns earning a free kick going wide, Glory's through balls resulting in a 2nd goal for Jay (3-1). Glory's teamwork continued to disrupt the Wyverns with runs down the wings from Indi and Yasmine creating multiple chances. Alex takes a long shot and scores (4-1).

Continued pressure from Glory and great defence sees Alex score and get his hat trick with 4 minutes to go. Wyverns throw everything at the Glory with shots either going wide or hitting the crossbar but to no avail.

Final score Glory 5 , Wyverns 1.

All in all a thoroughly entertaining game with a solid team performance from the Glory. A fairytale finish for Alex who is off to Europe for the rest of the year. Good luck mate, see you again soon.

Players of the day Tori and Harper, many thanks to Squid Lips.

# U14 Wyverns

On a wet and soggy, slippery pitch. The two U15 Championship FMR titans met for a derby rematch. Glory v Wyverns.

Wearing the Blue Away Kit, things started well for the Wyverns. Jarrah in Goals made a brilliant save. This led to a corner where Jarrah made another brilliant sliding save. On another corner, we got the ball out, but at the cost of one of our key defenders Henry who had a rough fall, but still managed to get up and get the ball out of our defensive half before coming off injured.

Stirling took a run down and had a shot at goal. It bounced right off the goalies knees, but Stirling got the rebound and had another shot that went through giving us the first goal on the board.

There was lots of pressure applied from both sides, and a lot of chances at goal. Glory were able to capitalise on their shots, where ours were going wide or over the top. The first half finished with Glory up by 1.

The second half continued much the same. Jarrah made another save, but Glory got the rebound which went in.

Jarrah came out out of goals to play forward. He earned a free kick, but it was saved by their Goalie.

Our defense gave it their all to keep Glory out, and our forwards tried their best, but our attempts continued to go wide or over the top.

Matty, now in our goals, made a couple of awesome saves, before Glory scored twice more giving them the win.

POD Jarrah. He made some good saves early on and gave it his all when we came out of goals in the second half. Thanks to Candy Cow for the voucher.
