Mini-Roos

ROUND 6

U6 Ninjas

Although the rain threatened all morning, it held off for the duration of the Ninja's v Gunners rematch.

The play was quick and Nate side kicked a ball that slipped between the posts earning him the player of the day award thanks to Ninja's in M'ocan.

Arlo's passing was excellent and enabled Jed and Cohen dramatic opportunities for fancy footwork.

Luke got stuck in, Torin and Lucas worked together well to keep the pressure on the young Gunners team whilst Peri held the defensive line.

Ezra was an absolute workhorse for the Ninja's and the Gunner's fought with heart to hold their position on the field as the final whistle blew and the clouds closed in.

U7 Rovers

The Rovers braved the cold and the rain in Capel this weekend to take on the Wolves and what a dominant display they put on. They impressed with spectacular passing and game play and showed off their foot work which resulted in multiple goals shared by all players.

Toby showed great skill from every spot on the pitch using his superior foot skills to break through the defence and score some amazing goals earning him POD. Ithan showed off his dominant defensive skills putting immense pressure on the Wolves player and spot on passing also earning him POD.

With thanks to Two Cracks Coffee
(Ithan pictured 4th from left and Toby 5th)

U8 Strikers

Off to a great start, with an early professional goal from Arlo G. Quickly followed by goal number two from Sam. The first half saw the Strikers on attack, but with some equally great goalie work from the Kingfishers.

Midway through the first half, there was some fancy footwork from Jacob, who had some stellar feedback on his own performance "I feel like I'm on fire today"🔥. Patches of rain did nothing to deter the fierce Strikers, who all dived on the orange box at half time.

Second half saw a dramatic sliding lay down goal from Arlo G. Miles brought it home with goal number from a brilliant assist from Anouk, then Miles backed it up minutes later with another goal. Last minute sneaky goal from Arlo D, which slipped past the goalie. Epic hard running. Way to go team👍

Huge thanks to the sponsors- LJ Soccer, Burger Baby and the Two Cracks Coffee for our Players of the day vouchers - Jacob, Miles and Arlo D.

U8 Dragons

Excitement filled the air as the Dragons faced their next opponents, the players in blue, Dunsborough Storm. It was a high energy match with both teams giving it their all. The Dragons showed amazing teamwork with clean passes and great footwork.

The players of Dunsborough Storm defended their goals well but the Dragons strategic and focused playing helped them score the goals they needed to be victorious. Not a moment passed where the Dragons didn't fight fabulously, defend devotedly, and score superbly.

The Dragons showed wonderful care for each other – encouraging each other and pushing each other to play the best game they could. Terrific team spirit filled the air as they shook hands with the Storm at the end of the game.

The player of the day was Jake Drysdale who showed perseverance, resilience, courage and skill in the match against the Dunsborough Storms. Well done Jake for giving it your all. Thanks to Candy Cow for the prize!

U9 Storm

FMR Storm once again showed a great comeback after being 2-0 down to take the lead 3-2 until the Raptors got a late goal to equal for another draw, 3-3.

POD Matt received a Squid Lips voucher for a great defensive game.

U10 Breakers

From the outset the Titans dominated the game, maximizing their possession of the ball to successfully score many goals. The Breakers showed grit and determination as they played hard despite the tide turning against them.

POD went to Finn and Marshall who were showing some form, thanks to Squid Lips for prizes.

U10 Jettz

This week is one of our most celebrated weeks as a new team. We played the Vasse Kookaburras at home and won our first ever game!

Our goal scorers were Kayla, Floyd, Lennox and Zoey. The look on their faces was gold as they congratulated each other and our opponents.

Our training is paying off with better passing, finding gaps and backing up each of our team members.

Tyla Harvey was our player of the week, having played with guts and determination to support her mates. She plays with a smile and is growing in confidence with each game. Well done Tyla!!! Thanks to Candy Cow for their gift voucher.

Well done Jettz.

U11 Stingrays

With only 8 players on the pitch the Stingrays had another great game.

The defenders held their positions well keeping the GMAS attack out.

The midfield and forwards ran hard and passed with precision.

Well done Stingrays.

Players of the day went to Jasper and Tao thanks Candy Cow and Two Cracks coffee.

Thanks to Luke Johnson for coaching.
