

6 MAY 2023

FMR

Mini-Roos

Round 2 - Was a cold and windy morning in Margs for our home teams this week. But still get to see all the kids out there having a great time! At least the rain held off.

U6 Ninjas

Round 2 was another great week of football for the U6 Ninjas.

On Pitch 1 the GMAS Dingoes put up a good fight but couldn't hold back the fierce offence of Cohen and Jed, and were unable to penetrate the solid defence of Arlo and Nate who once again kept a clean sheet throughout both matches.

Pitch 2 saw a heap of action with great mid field performances by Mack and Torin, while special mentions go to Luke and Lucas who both played outstanding in their first game ever.

Well done to the LJ Soccer players of the day Peri and Ezra, thumbs up to you both. Watch out for the Ninjas next Saturday who will be playing their first home game at 9am.

U7 Rovers

The U7 Rovers visited Busselton again this week, this time to take on the GMAS thunder. This year's competition has definitely gone up another level from last year.

The kids worked really well as a team and produced some great passing resulting in some awesome team goals.

Players of the day went to Sailor for some amazing defence stopping multiple goals and finding the back of the net a couple of times himself and Matthew for being an amazing team player getting involved in every aspect of the game.

Well done boys and thanks to Squid Lips for the vouchers!

U8 Dragons

It was a chilly morning in Margaret River, but that didn't stop the Dragons from getting fired up against the GMAS Braves. The team was solid on both the defensive and attacking fronts today and came away victorious, maintaining a clean sheet for the second week running.

The Dragons have a team of strong footballers who are all loving the game, having fun, supporting each other, and being great sports on the field.

Player of the day was awarded to Zorawar, who was in goals in the first half and came out in the second half to score a cracking goal! Thank you Two Cracks Coffee for the prize.

U8 Strikers

U8 FMR Derby Strikers vs Wasps

Our second game was played against the Margaret River Wasps, our first home game of the season. Both teams had success in front of goal in the first half and it was great to see the Strikers looking more cohesive and starting to play their positions more confidently. Miles, Josh and Sam scored some great goals and Jarla put in a strong performance as the first half goal keeper.

In the second half, Jarla made a great run down the right wing and scored a cracking goal from way out, while Miles made some solid saves in goal. As the second half came to its conclusion, Arlo D fired off a ripper that found the back of the net in the dying seconds to cap off a memorable match.

Player of the day went to Genevieve for her strong defensive play and tackling tenacity.

Well one to all the Strikers players for their enthusiasm, concentrations and team work.

U9 Storm

Under 9 Storm had a 1 all draw against CSC Comets with two players from our team making up the numbers for the opposition as they were a player short.

These 2 players were also named players of the day for their sportsmanship which was a great call from the coach. Was a hard fought and even game! Great effort players and spectators.

U10 Stars

The Stars had a great game today with the passing really coming together, and some great saves by Freddy in goals.

Importantly there was lots of smiles.

Player of the day thanks to Milk Shack, was Lilly who showed her determination all game.

U10 Jettz

The Jettz travelled to Duns to take on the Amigo's this week, and played another great defensive team against a known top team from last season.

They worked as a team, were competitive and proved they were an equal match to the Dunsborough team.

Their field zoning is improving as they listen to advice from their coaches.

Our players of the day were Kayla Rowney for heading the drive of runs down the field and Lennox Grace for being a consistent player and defending effectively in which ever position he played!

U11 Stingrays

Another outstanding game by the Stingrays this week.

The players all held their positions well.

There was lots of running, accurate passing and strong attacking. Well done everyone.

Player of the day thanks to Two Cracks Coffee went to Louis for excellence in attack.
