

FMR

Mini-Roos

ROUND 8 - This week was a bit of a mixed bag weather wise. Some lucky to have the sun, others not so lucky! The new donated Mitre 10 brollies did help to keep us dry though. Round 8 is the last games before a three week break for school holidays, and the kids were keen to get out there despite the weather!

U6 Ninjas

The Ninja's played their first game against the Capel Wolves on Saturday morning, or rather half the team did. The last week of junior sport before the winter school holidays is traditionally plagued by colds, flu's and early holidays, with this week being no exception. Coincidentally both teams only managed to field five players so the teams agreed to a single 5 on 5 match with no substitution.

Despite the torrential rain the team drove through the entire way up to Busselton, the weather in Capel was cracking, with sunshine and not a drop of rain. Torin, Coen, Mack, Nate and Ezra put in a solid performance against the fierce opponent throughout the first half before a late wolf and a junior Ninjas joined in and made up a 6 on 6 second half.

Players of the day (thanks to Burger Baby) went to Torin for a double hat-trick of goals and to Coen for his grit and determination to keep playing after a coping a couple of body blows from a stinging cold wet soccer ball.

That was the last game for a few weeks, but don't forget training is still on through the holidays. See you all there!

U7 Rovers

The Rovers hosted the Vasse Falcons this Saturday on a cold and wet morning.

The boys faced their toughest competition so far this season, with some tough defensive lessons learned. The match was tight throughout both halves with few goals scored by both teams.

Players of the Day went to Reef for his solid attack and Ari for his always solid defensive skills. With thanks to LJ Soccer.

U8 Strikers

U8 Strikers vs Vasse Robbins

Today's match was an electric game, fueled by high energy and excitement with the Strikers giving their all through mud and rain.

Within the first half, Sam had great ball possession and Genevieve, as goalie, performed awesome kicks. Josh deserved player of the day for an excellent header. Arlo, Sam and Josh were on point with their passing skills.

We would like to thank our sponsors; Squid Lips for Player of the Day voucher and Mitre10 for overhead protection and support.

U8 Dragons

A cold and rainy morning wasn't enough to put out the Dragons' fire as they took on the Busselton Possums this weekend.

The first half was full of lots of accurate passing and strong shots as a goal hungry Dragons put constant pressure on their opposition.

After a drenching during the break, the second half was full of much of the same but also saw the Possums coming strong on the attack. This put the Dragons' defence to the test, but we managed to keep the Possums at bay.

As always, the team played cohesively and are doing well at keeping their positions on field. The Dragons are surely reaping the benefits of their hard work at training each week.

Our player of the day today was Finley. Finley always puts in 100% for the entire duration of the match, and today he was strong on the offence and had lots of fancy footwork to swerve around the opposing players.

U9 Joeys

How lucky were we that the rain held off for our game vs the Dunsborough Tigers?

Coming out strong in the first half, our newest player Noah Hull was able to put away a couple of early, brilliant goals which was a result of smart passes from his teammates.

We have been working hard to create space on the pitch when passing, creating opportunities to work together and give everyone the chance to kick goals.

Noah Sheedy-Ryan Bell, Mason Rowney and Arty McNie were all able to get on the scoreboard today.

Our player of the day this week, with thanks to Two Cracks Coffee was Ivy Bearsby, for her hard work, playing an integral role in many of our first half goals.

U9 Storm

On their first rainy game for the season Storm had a great game against Vasse Swans, with players from both teams enjoying the wet and muddy conditions.

Sylvie Brouwers got POD for running hard all game while not being 100% well.

U10 Jettz

What a great example of winter sports this weekend was. The Jettz faced off against the Busselton Titans, in Margaret River.

The Titans managed a few well deserved goals and the Jettz came back with a couple of well executed ones of their own. In all, the Titans were a challenge, but once we got warm we were able to defend off Busselton strongly.

Our two goalies Floyd and Ashley did some awesome saves. The passing and sportsmanship shown again this week, by both teams is a tremendous credit to all involved in mentoring the kids.

This week our players of the week were Bridget and Reef. Reef played a great defence and really went in and attacked well. Bridget showed terrific bravery by charging at the ball in attack and defence. She cleared the ball to fend off forward movements by Busselton. Well played Reef and Bridget. Thanks to our sponsors Squid Lips and Candy Cow.

U10 Stars

Player of the day - Lilly Costar

U11 Stingrays

Stingrays vs CSC Giants - Well done Stingrays on great teamwork and running hard all game with a very wet pitch.

Players of the day went to Lewis for volunteering to be goalie, Ryan for a strong and determined game and Otis for his solid work in defence. Thanks Two Cracks Coffee, Burger Baby and Squid Lips.
